Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2022 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2021/22**, approved and signed, page 4
- **Section 2 - Accounting Statements 2021/22**, approved and signed, page 5

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022**.

Section 3 – External Auditor's Report and Certificate 2021/22

In respect of

Hopton and Coton Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2021/22

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

**External Auditor Continuation Report
2021/2022**

Introduction

This page is part of Section 3 – External Audit Report 2021/2022

The following matters have been raised to draw items to the attention of Hopton and Coton Parish Council. These matters came to the attention of Mazars LLP during the review of the Annual Governance and Accountability Report (AGAR) for the year ended 31 March 2022. This report must be presented alongside the AGAR to a full meeting of the smaller authority for review.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

Except for the matters reported below on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

The Council has not fully implemented recommendations made in 2020/21 internal audit reports however the Council left the relevant assertion in the 2021/22 Annual Governance Statement (assertion 7) blank. In future, the Council should ensure that appropriate action in response to audit recommendations is taken within a reasonable time and all boxes are filled in.

The Internal Audit report identified significant weaknesses in internal control during 2021/22, because financial regulations were not complied with and bank reconciliations were not performed in the first half of the year. However, the Council answered 'yes' to assertion 2 of the annual governance statement. The Council should ensure that the recommendations in the internal audit report are implemented and consider answering 'no' to assertion 2 of the 2022/23 annual governance statement if these weaknesses remained for a significant part of the 2022/23 financial year.

The Council has not approved and published the Annual Governance and Accountability Return and started the period of public rights in accordance with the timetable in the Accounts and Audit (England) Regulations 2015. The regulations require these processes to have been completed by the first working day of July. The Council failed to acknowledge its non-compliance by answering yes to assertion 1 of its Annual Governance Statement. For 2021/22 this was not done until 10/08/2022. For 2022/23 the Council needs to put arrangements in place to ensure that it can discharge its responsibilities in line with the statutory timetable.

The Council asserted in its Annual Governance Statement that during 2021/22 it provided proper opportunity for the exercise of public rights, but it did not publish the completion notice at the conclusion of the 2020/21 audit on a free to access website in accordance with the Accounts and Audit Regulations (2015). In 2022/23 the Council needs to put in place arrangements to ensure that it fully complies with the Accounts and Audit Regulations.

The Council has declined to correct the following errors at Section 2 of the Annual Governance and Accountability Return so the Annual Governance and Accountability Return has not been prepared in accordance with proper practices:

A) 2020/21 boxes 1, 6, 7 & 8 have been restated following the internal audit, but the Council could not identify the reasons and as a result of the restatement, 2021/22 Box 1 has increased by £205, and the 2021/22 column would no longer add up at Box 7 if corrected;

B) This creates material uncertainty in respect of 2021/22 boxes 1, 6, 7 & 8 as it is possible that the restatement was appropriate, given that 2021/22 adds up using the restated figures; and

C) Box 2 for both years included CTSG grants, which should have been included in box 3, other receipts. The 2020/21 Box 2 was overstated by £808 and the 2021/22 Box 2 was overstated by £1,190, with corresponding understatements of Box 3.

In 2022/23 the Council should ensure that the Annual Governance and Accountability Return is prepared in accordance with proper practices.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

In undertaking the review of the 2021/22 Annual Governance and Accountability Return it came to our attention that in 2022 the Council has not met the requirements of the 2015 Accounts and Audit Regulations to provide electors with a period of 30 working days including the first 10 working days of July, to inspect the accounts. The Council should ensure that in 2022/23 they comply with the Regulations and respond no to the relevant assertion in its Annual Governance Statement.

No other matters came to our attention.
